

A Note from Pastor Phil and Sheryl

This verse found in Hebrews 11:6, "And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him," has been running through my mind. By the time you get this article I will have already started a series on Faith on Sunday mornings. Abraham believed God and it was credited to him as righteousness. Abraham's faith in God made him righteous. This is before Calvary, before the shedding of blood, and scripture says his simple faith and belief in God made him righteous. Faith is confident persuasion, to be fully in agreement with, to have trust. God rewards this kind of faith.

All of us have been in situations when people have believed in us. It means so much to us to have people believe in us. If that is how we feel, imagine how God feels watching us believe in Him when things are not making sense. When we stand despite what our eye sees, it blesses God. When we stand in difficult times, he wants to reward us for our belief in Him.

I am looking forward to this series on Faith. I never want to get to the point where I maintain, become comfortable, or mechanical in my walk. I always want to have living, trusting faith that will please God!

North East Worship Camp for Youth, July 12-16

The most glorious human calling is to behold God's beauty and to worship Him. Yet modern culture brings distractions at every turn, hindering many young people from ever encountering God's majesty and stepping into their true calling as worshippers.

The North East Worship Camp is a call to all young worshippers who desire to be set free from distraction so that they can step into their true calling: to behold the beauty of the Lord and to wor-

ship Him in His temple. We believe that God is stirring an awakening in the North East that will be pioneered through worship and prayer. We are calling all like minded young people to join us for four days from July 12th-16th.

The North East Worship Camp will be held at New Hope Fellowship in East Bloomfield, New York. The youth will stay overnight for the duration of the worship camp. For more information about registering your youth for this camp, contact Pastor Jonas Cortes at jonasccg@hotmail.com, or Pastor Bet Cortes at bethancortes@wolcf.org. Watch for details on fundraisers to help offset the cost of registration.

The Five Love Languages Study at Fantauzzo's House

The Five Love Languages: How to Express Heartfelt Commitment to Your Mate is a 1995 book by Gary Chapman. It outlines five ways to express and experience love that Chapman calls "love languages": gift giving, quality time, words of affirmation, acts of service (devotion), and physical touch.

The fellowship and encouragement that you will experience in this Life Group will keep you going back for more! Dennis and Kim Fantauzzo have a real heart to minister to people. You will be blessed by the prayer for one another and the joy that flows from the conversation.

The Life Group will continue to meet on the first and third Thursdays of July and throughout the year. We hope to see you there on July 6 and 20, this month. For more info contact Dennis or Kim at 342-5162.
