

Welcome!

It is a pleasure to have you with us this morning. Feel free to stay after the service for coffee and fellowship.

There are three different aspects to our vision at Word of Life: Loving God, Loving People, and Loving the Nations. Because of this, Jesus is the center of everything we do. We are committed to loving one another and having true community. In addition, we are actively involved in sending missionaries to other countries.

It is my hope that you will feel at home among us here at Word of Life.

Points of Interest

The nursery is located along the east side of the hallway between the Fellowship Hall and the Auditorium. Feel free to use it any time. Child care is provided during Worship time for infants up to three years old and during the sermon time up to age two.

Sunday Programs for Children

Sunday school classes are available for children who are two years through grade eight. Grades 6-8 meet only when their class is announced.

Sound Technicians Needed!

Are you interested in learning how to run sound, or do you already have experience in this? We need sound technicians at Word of Life! Currently, we only have two sound techs. If you have an ear for music and an aptitude for technology, please contact the church office at office@wolcf.org.
