

Welcome!

It is a pleasure to have you with us this morning. Feel free to stay after the service for coffee and fellowship.

There are three different aspects to our vision at Word of Life: Loving God, Loving People, and Loving the Nations. Because of this, Jesus is the center of everything we do. We are committed to loving one another and having true community. In addition, we are actively involved in sending missionaries to other countries.

It is my hope that you will feel at home among us here at Word of Life.

Building Progress and Fund Update

The work is getting done! We should see the flooring installed by the end of May/early June. However, as with any building project, there were some increased expenses beyond what was budgeted in the two years since we started raising funds for this phase of the building project. We are about \$4,000 short of the amount needed to complete this auditorium. Would you prayerfully consider giving toward this last amount **today**? Thank you for your generosity!
