

A Note from Pastor Phil

Well, it's my favorite time of the year: summer!!! Looking at this weekend's forecast we are expecting several days in a row of over 90 degrees. I will not complain about the heat until at least August. Like you, I face challenges, and it is easy to feel overwhelmed in the midst of the storm. You can start to shrink back in the midst of it or feel diminished. I was feeling this way after an infection came out of nowhere in my leg and I was also facing the daily challenges of life in general. (By the way, my leg is well on its way to complete recovery.) While this was going on, a friend sent me an image of a fierce, determined, fearless, mighty lion. The caption on the picture said, "THE DEVIL WHISPERS, 'You can't withstand the storm.' THE WARRIOR REPLIED, 'I am the storm.'" The face of that lion looking directly at me as the warrior who replied "I am the storm" really woke me up. We are not victims of the storm; we are the storm! We will not be of those who shrink back. We are those who are "hard pressed on every side but not defeated, more than overcomers, greater is He who is in me than he that is in the world, nothing shall separate us from the love of God..." That image of the lion made me laugh and weep with joy. The enemy tried to discourage me but instead courage rose in my heart! I am the storm and so are you!!!

Guest Speakers in July

Bruce Plummer has been the senior pastor here at CCC since 2002. Before that, he was an associate pastor for 16 years. Bruce has a degree from Syracuse University and SUNY ESF in Environmental Resources Management. He actually was an Arborist in Rochester for years before going into the ministry full-time. He and his wife Robin have four sons, two daughters, four daughters-in-law (that are more like just daughters) and an ever-growing number of grandchildren. Pastor Bruce will speak at WOL on July 8. You will be blessed!

Michael Cavanaugh currently serves as President of Elim Bible Institute and College, a school dedicated to preparing Christians to be radical, wholehearted pastors, missionaries and church planters. He also served as Vice-President of Elim Fellowship, an association of 900 pastors, ministers and missionaries, until 2017. His ministry experience includes founding and serving 20 years as the Senior Pastor of Elim Gospel Church, a dynamic congregation of nearly 1,000 in Lima, NY. He is the founder of both Mobilized to Serve, a ministry to single adults, and BASIC, a local church-based ministry to college students. He is the author of *The Power and Purpose of Singleness* and has taught evangelism and preaching at Elim Bible Institute and College (EBI&C), of which he is a graduate. He is also a graduate of Roberts Wesleyan College (BS) and Bakke Graduate University (MTS). President Cavanaugh will speak at WOL on July 22. You will be blessed!
