## A Note from Pastor Phil

We had a tremendous Vision Sunday in September!! We brought in new members, sent out a new missionary couple to Asia (the Abrams), had a report on BASIC college ministry, and launched into a building program that will bring room for increase.

As I write this, I just returned from a life group on healing. I was so encouraged to see the Spirit of the Lord in that life group. I recently attended the Families With Young Children life group where there is also good things happening. This past Sunday, a member approached me about reaching out to the homeless and destitute more on a regular basis. I say "Amen!" to all of the above! I encourage you to connect to a life group on a day other than Sunday morning service. The encouragement to one another and the outreach to the community is worth the effort. There is definitely life, at Word of Life.

On Tuesday, October 2, we are going to participate in "10:2" which is a global prayer movement. Our regular First Wednesday Prayer meeting will be moved to Tuesday in the first week of October to support this night of prayer. Prayer guides are available for those who desire one. Look for them on Sunday, September 30.

On Saturday and Sunday October 27-28, we will host a prophetic and healing conference that is open to the public. Do you want to grow in prophecy? Do you need a breakthrough in healing? Our keynote speaker is Nick Watson. Look for more details and the weekend schedule on the church website at [wolcf.org](http://wolcf.org).

In October, I'll be speaking on the importance of worship. Our whole life is worship. However, I'll be talking about the importance of corporate worship on Sunday mornings. When we all come together as a body, when we all lift our voice in praise, when we all sing together, there is a corporate anointing there that releases the Spirit of God. It releases the prophetic, releases the gifts of the Spirit, and releases healing. Hallelujah! It's going to be a good month! I'm believing for a fresh move of God in our midst! Are you hungry for more of God!

## The Stand4 Youth Group

Youth Group meets Sunday nights at 6 pm, at Word of Life. This is a valuable time for youth to be disciplined in the faith, build relationships with other youth who love God, and have fun! The Stand4 youth group is open to kids ages 11-19. Pastors Jonas and Bet Cortes are leaders with a strong faith of their own, and they live exemplary lives, by the grace of God. Remember, its not what's taught, its what's caught! To add to their own example, however, the Stand4 Youth Group is using a new curriculum this year, called "The Core." *The Core* is a year-long, fully downloadable curriculum designed to help students grow deep roots of faith. It's an easy-to-use resource that teaches eight core principles of discipleship through Bible study lessons. Each lesson builds on the last to keep discipleship at the center of your student ministry. Week after week you will teach solid Biblical truth paired with engaging experiences that encourage students to exercise their growing faith. **For more information on the youth group meetings and events, contact Pastors Jonas and Bet at [jonascgg@hotmail.com](mailto:jonascgg@hotmail.com) or [bethanycortes@wolcf.org](mailto:bethanycortes@wolcf.org).**

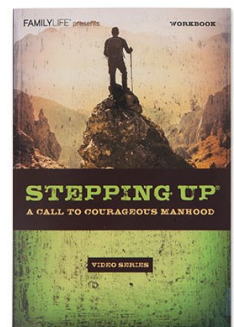

## The Families With Young Children Group

The Families With Young Children Group will use the curriculum "The Art of Parenting," by Dennis and Barbara Rainey. Expanding on parenting themes shared with FamilyLife audiences in person and on the radio, Dennis and Barbara offer trusted advice on how to establish Christian values in your home. In *The Art of Parenting*, Dennis and Barbara will help you to experience God's truth and apply his Word in your family by focusing your attention on four crucial elements in your children's lives: **Identity**--understanding who they are in Christ, **Character**--learning to live wisely and honorably, **Relationships**--fostering godly connections with others, and **Mission**--understanding why they are here. When you apply biblical truths in these four areas, you can feel confident your children will have a foundation they can build upon for the rest of their lives. **For more information on the monthly dates the group meets, contact Albert and Sarah Yu at [sarah.d.yu@gmail.com](mailto:sarah.d.yu@gmail.com).**

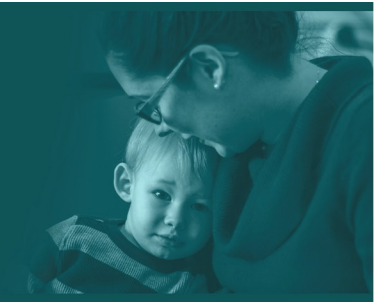

## The Men's Breakfast Curriculum

The 4th Saturday of every month, Phil D'Alessandro will use the "Stepping Up" curriculum at the Men's Breakfast. Dig deeper into what it means to step up and live a courageous life with *Stepping Up Video Series*. Based on his book by the same title, Dennis Rainey, along with Matt Chandler, Bill Bennett, Robert Lewis, Voddie Baucham, Stu Weber, James MacDonald, Joshua Harris, Eric Metaxas, Crawford Loritts, and other ministry leaders unpack what biblical manhood looks like and what it means to be a godly, courageous man in today's world. Through engaging stories, expert teaching, humorous vignettes, man-on-the-street interviews, and personal insights, these men's ministry leaders call every man to become courageous leaders in their own lives, marriages, churches, and communities. Accompanied by small-group discussion and individual follow-up exercises, men of every age will learn action tools for gospel-centered living to empower them to be true heroes in their families and communities. **For more information on this men's group, contact Phil D'Alessandro at [oppilf66@gmail.com](mailto:oppilf66@gmail.com).**
