

Welcome!

It is a pleasure to have you with us this morning. Feel free to stay after the service for coffee and fellowship.

There are three different aspects to our vision at Word of Life: Loving God, Loving People, and Loving the Nations. Because of this, Jesus is the center of everything we do. We are committed to loving one another and having true community. In addition, we are actively involved in sending missionaries to other countries.

It is my hope that you will feel at home among us here at Word of Life.
