July & August 2019

A Note from Pastor Phil

Sunny and in the 80's! Glory to God in the Highest! That is the weather as I look outside my window. However, even as I sit here the kingdom of God is moving. We raised just over \$1000 for Nikhil to help put a roof on his building in India. He needed a total of \$3000 but we are able to send the first 1/3. Jodi Seidler, a member of our church, is there right now as I write this ministering to the people of India with Nikhil. Matt Slisher, our missions care coordinator along with his wife, just emailed me that the Abrams last Sunday with us will be July 28, before they return to Asia. We have another family, the Platts, heading to Asia as missionaries soon also. We will pray for these families. I have just been invited on a mission's trip at the end of October in Ecuador. (I have turned down several mission's opportunities in the last year.) We are in the beginning stages of planning a mission trip to Mexico in early August 2020. If you are interested in that mission's trip to Mexico, please let Pastors Jonas and Bet Cortes know. This is just a part of the mission's involvement we have here at Word of Life.

In a couple of weeks, our worship leaders will be involved in North East Worship Camp (NEWC), from July 8-13. This is a camp has youth from all over the North East spend a week worshipping the Lord and being trained on instruments as well as their own personal worship. Praise the Lord that we have such life here in our worship with team members who genuinely seek the presence of God.

I trust you will have a great summer! Enjoy it because in Rochester it only lasts so long!
